Soror Spotlight

Janida A. Newby

Tamias 2017-2019

Soror Janida Amanda Newby became a member of NSPDK Iota Chapter around May 2010. "I wanted to become a member of Iota to be with likeminded colleagues and colleagues who loved education as much as I do. Also, with women who had a heart and a passion for what we do daily." Her most memorable experience, "The time that I was a Co-Chair for the Cotillion with Soror Sherry Spence-Leslie. She was a wonderful teacher." What Soror Janida finds most rewarding about being a member of Iota Chapter, is "the camaraderie that we share as sorors, I feel like we all want to see everyone succeed."

Soror Janida grew up in Valdosta, Georgia. She now lives in Pleasantville, New Jersey and is moving to Egg Harbor Township, New Jersey (really soon). Soror Newby is married and has one daughter. Soror Janida is an elementary school teacher in Pleasantville Public Schools. Her educational philosophy is that "Everyone can be educated; it still takes a village."

Soror Newby enjoys spending time with family and friends, shopping online and in the stores. One thing people don't know about her is that she has a huge extended family on her mom and dad's side, "however, I am my mother's only child, and her favorite".

SOROR SPOTLIGHT

Marchita McKinley

I became a member of the NSPDK Iota Chapter in 2007.

I always wanted to be a part of a professional organization that worked with children and gave back to their community. Once Soror Gist-Ragland told me about the NSPDK Iota Chapter, I knew this was what I was looking for.

My most memorable Iota experience was working with Soror Stephens and Soror Gist-Ragland taking the Xinos to their youth conference. I find the sisterhood and fellowship are the most rewarding things about being a member in Iota

Chapter. I grew up in Atlantic City, NJ. I currently reside in Galloway Township with my husband Jeffrey. We have been married for twenty-seven years.

I have been teaching at Leeds Avenue School for the past 16 years as a Pre-K Teacher. I am the current Team Leader. I developed our "Celebrating Culture Through Stories & Snacks" annual project and have facilitated several Early Childhood workshops for our school's Pre-K parents. My educational philosophy is every student deserves a quality education in a safe and nurturing environment. My hobbies are baking, riding my bike on the boardwalk and working in my garden during the summer. One thing people don't know about me is that I like to volunteer my time assisting senior citizens!

"Once you get the child together, you can get the world together" (Marva Collins 1936 - 2015)

Soror Spotlight

Nicole Williams

Soror Nicole Williams has a unique Iota relationship. She became a member of NSPDK Iota Chapter in June, 2017. What made her want to become a member was that she was an Iota Xinos and, "and I always admired the women of Iota Chapter." Her most memorable Iota experience is one that many of us do not have, which is, "Being in the cotillion and winning Miss Iota!" What Soror Nicole finds most rewarding about being a member of Iota Chapter is, "Learning and being among women who have made their mark in education locally."

Soror Williams grew up in Atlantic City and Pleasantville and now resides in Pleasantville. There are two in her family, she and her mother, Priscilla,

who is also a soror, but in our closest sister chapter, Delta Lambda. Soror Nicole is currently Vice Principal at Sovereign Avenue School in Atlantic City. Her educational philosophy is, "Every child has the ability to learn and should be offered meaningful experiences and opportunity to become productive members of society."

Soror Nicole likes to ride her bike, read, and travel. One thing that people don't know about her is that she is scared of thunderstorms
